

# Sewmini Jayawardhana

Intern Software Engineer

(+94) 77 202 9985 | sapsarasewmini@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

---

## PROFESSIONAL SUMMARY

Motivated and detail-oriented Information Technology Undergraduate with a strong foundation in software development and problem-solving. Skilled in web development, database management and programming. Interested in UI/UX design and full-stack development. Seeking a Software Engineer Internship to apply technical skills, contribute to projects and gain industry experience.

---

## EDUCATIONAL QUALIFICATIONS

- **National Diploma in Technology (NDT) – Information Technology** **2023 July – Present**  
Institute of Technology University of Moratuwa
  - **Graduate Diploma in Software Engineering** **2023 Feb – 2024 Feb**  
Institute of Java Software Engineering (IJSE- Galle)
  - **Diploma in English** | ESoft Metro College (Tangalle) **2022 May - 2023 May**
- 

## PROJECTS

### E-Commerce Website(BuyNow)

[GitHub Repository](#) 

Developed a full-featured e-commerce website with user authentication, product categories, cart and order management, secure payment options and an admin dashboard for managing products efficiently.

Tools and Technologies used: Visual Studio Code, JavaScript, React, Node js, MongoDB, HTML, Tailwind CSS.

### Consumer Review Social Media Platform (Cleverly)

[GitHub Repository](#) 

Developed a consumer review platform that allows users to post, view and interact with product reviews. Integrated sentiment analysis, fraud detection and a badge-based reputation system to promote trustworthy feedback.

Tools and Technologies: JavaScript, React, Node, Express, MongoDB, Tailwind CSS, Python

Contribution: Developed frontend features, implemented backend functionality for user profiles, assisted in ML model training, prepared project documentation and performed manual, API and system testing.

### Personal Blog Platform (WriteHub)

[GitHub Repository](#) 

Developed full-stack blogging platform that allows users to register, create and manage blog posts with inline images, comment on posts and customize profile avatars. Implemented secure user authentication, media storage in MongoDB and responsive user interfaces for content creation and engagement.

Tools and Technologies: Visual Studio Code, JavaScript, React, Node.js, Express.js, MongoDB, JWT, Bcrypt, Tailwind CSS.

### Leather Products Management System (Standalone Application)

[GitHub Repository](#) 

Developed a standalone application for a leather products shop to efficiently manage stock and related operations for the shop owner. The system allows adding, updating and removing products, tracking available quantities and organizing inventory details in a simple interface. It helps the shop maintain accurate records, reduce manual errors and improve day-to-day management of leather items.

Tools and Technologies: MySQL, IntelliJ Idea, Scene Builder, JasperReport, JavaFX, MVC architecture, Lombok

---

PROFESSIONAL EXPERIENCE

Intern Software Engineer - Sri Lanka Ports Authority

2026 Jan – 2026 July

- Participated in the development of an Electronic Document Digitization System.
- Developed features for the VIP Permission Request Module in collaboration with the team.
- Implemented notification and SMS functionalities to enhance user communication and workflow efficiency.
- Tech Stack : Angular, Spring Boot

CERTIFICATIONS

- Web Development - University of Moratuwa (CODL)
- Python for Beginners - University of Moratuwa (CODL)
- Postman API Fundamentals Student Expert
- Problem Solving Skills Certification – HackerRank
- MySQL Skills Certification – HackerRank
- Quality Management and Quality Assurance Expert – Udemy
- Linux for Cloud Engineers and DevOps – Udemy
- JavaScript and PHP Ultimate course for Beginners - Udemy

TECHNICAL SKILLS

- Web Development: HTML, CSS, React.js, Angular, Node.js , Express.js
- Frameworks: React, MERN Stack
- Database: MySQL, MongoDB
- APIs and Services: RESTful APIs, JSON
- Tools: VS Code, Postman, NetBeans, IntelliJ, Figma, Canva
- Version Control: Git/GitHub
- Additional: Good Communication, Time management, Leadership, Analytical thinking, Problem solving.

INTERESTS

- **Soft Skills:** Adaptability, Analytical Skills, Creative Problem-Solving, Active Listening, Teamwork
- **Interests:** Travelling, Badminton, Reading, Drawing
